e-eso sessions

weekly e-grandrounds and monthly e-oncoreviews

- ✓ Your weekly/monthly appointment with education
- ✓ Do not miss live interaction with Expert and Discussant
- ✓ Every Thursday of each week and first Tuesday of each month, at the same time
- ✓ In collaboration with Nature Reviews Clinical Oncology and Critical Reviews in Oncology/Hematology
- ✓ With and without commercial sponsorship
- ✓ View six months of recorded sessions
- ✓ CME and ESMO-MORA accreditation for ESO organised sessions
- ✓ Mastermind Participant quiz

BREAST CANCER

Metastatic Breast Cancer

e-oncoreview OR9 – Held live on 05 July 2011 and recorded

Expert: David Cameron, Edinburgh Cancer Research UK Centre, Edinburgh, United Kingdom

Discussant: Joseph Gligorov, Hopital Tenon-Hopital de Jour, Paris, France

e-oncoreview organised in collaboration with EISA

Breast cancer in young women - what should be different

e-oncoreview OR10 - Held live on 02 August 2011 and recorded

Expert: Bella Kaufman, Sheba Medical Center, Tel Hashomer, Israel

Discussant: Fatima Cardoso, Champalimaud Cancer Center, Lisbon, Portugal

Optimizing dose-dense regimens for early breast cancer

(based on a News and Views article of Nature Reviews Clinical Oncology)

e-grandround GR160 - Held live on 18 August 2011 and recorded

Expert: Clifford Hudis, Memorial Sloan-Kettering Cancer Center, New York, USA

Discussant: Fatima Cardoso, Champalimaud Cancer Center, Lisbon, Portugal

Radiotherapy after mastectomy: Can we avoid it?

e-grandround GR168 - Held live on 13 October 2011 and recorded

Expert: Luc Vakaet, Ghent University Hospital, Ghent, Belgium

Discussant: Agata Rembielak, The Christie NHS Foundation Trust, Manchester, United Kingdom

What's new in the management of breast cancer brain metastasis?

e-grandround GR172 - Held live on 10 November 2011 and recorded

Expert: Nancy Lin, Dana-Farber Cancer Institute, Boston, USA

Discussant: Fatima Cardoso, Champalimaud Cancer Center, Lisbon, Portugal

Synergy among Breast Units: the SenoNetwork Project

e-grandround GR175 - Held live on 01 December 2011 and recorded

Expert: Carlos Garcia Etienne, Humanitas Cancer Center, Milan, Italy

Discussant: Fatima Cardoso, Champalimaud Cancer Center, Lisbon, Portugal

Advanced Breast Cancer First Consensus Conference: Highlights and guidelines

e-grandround GR177 - Held live on 15 December 2011 and recorded

Expert: Fatima Cardoso, Champalimaud Cancer Center, Lisbon, Portugal

Discussant: Alberto Costa, Breast Unit of Canton Ticino, Bellinzona, Switzerland

Implications of multigene assay for DCIS on current treatment patterns

e-oncoreview OR15 - Held live on 17 January 2012 and recorded

Expert: William Wood, Emory University Hospital, Atlanta, GA, USA

Discussant: Nigel Bundred, University Hospital of South Manchester, Manchester, United Kingdom

e-oncoreview organised in collaboration with Genomic Health

New accomplishments in breast cancer chemoprevention

e-oncoreview OR17 - Held live on 06 March 2012 and recorded

Expert: Andrea Decensi, Galliera Hospital, Genova, Italy

Discussant: Bernardo Bonanni, European Institute of Oncology, Milan, Italy

Management of HER-2 positive MBC? an update

e-grandround GR186 - 08 March 2012 - and recorded

Expert: Javier Cortes, Vall d'Hebron Institute of Oncology, Barcelona, Spain

Discussant: Fatima Cardoso, Champalimaud Cancer Center, Lisbon, Portugal

Treating breast cancer in the Elderly

e-grandround GR192 - Held live on 19 April 2012 and recorded

Expert: Laura Biganzoli, Hospital of Prato, Prato, Italy

Discussant: Matti Aapro, IMO Clinique de Genolier, Genolier, Switzerland

Treating breast cancer during pregnancy: impact on children

e-grandround GR194 - Held live on 03 May 2012 and recorded

Expert: Kristel Van Calsteren, UZ Leuven, Leuven, Belgium

Discussant: Fedro A. Peccatori, European Institute of Oncology, Milano, Italy

Role of P13K/mTOR pathway and its inhibitors in ER+ breast cancer: a new paradigm?

e-grandround GR202 - 28 June 2012 - 18:15-19:00 CET

Expert: Fabrice André, Institut de Cancérologie Gustave Roussy, Villejuif, France

Discussant: Elzbieta Senkus-Konefka, Medical University of Gdansk, Gdansk, Poland

Advanced breast cancer

e-grandround GR217 - 11 October 2012 - 18:15-19:00 CET

Expert: Olivia Pagani, Oncology Institute of Southern Switzerland, Lugano, Switzerland

Discussant: Tanja Cufer, University Clinic Golnik, Golnik, Slovenia

Hormone replacement therapy and breast cancer

e-grandround GR221 - 08 November 2012 - 18:15-19:00 CET

Expert: Andrea Decensi, Galliera Hospital, Genova, Italy

GASTRO-INTESTINAL AND COLORECTAL CANCERS

Lessons learned from recent trials in NET with special focus on pNET

e-grandround GR176 - Held live on 08 December 2011 and recorded

Expert: Alexandria Phan, MD Anderson Cancer Center, Houston, Texas, USA

Discussant: Daniel Helbling, Onkzentrum Zurich, Zurich, Switzerland

Colonic stenting, the holy grail?

e-grandround GR187 - Held live on 15 March 2012 and recorded

Expert: Jeanin van Hooft, Academic Medical Center, Amsterdam, The Netherlands

Discussant: Daniel Helbling, Onkzentrum Zurich, Zurich, Switzerland

Stents for endoscopic palliation of malignant esophageal strictures

e-grandround GR199 - 07 June 2012 - 18:15-19:00 CET

Expert: Frank Vleggaar, University Medical Center Utrecht, Utrecht, The Netherlands

Discussant: Massimo Conio, Sanremo Hospital, Sanremo, Italy

Metastatic pancreatic cancer - are they all the same and how should we tailor therapy?

e-grandround GR211 - 30 August 2012 - 18:15-19:00 CET

Expert: Maeve Lowery, Memorial Sloan-Kettering Cancer Centre, New York, USA

Discussant: Daniel Helbling, Onkzentrum Zurich, Zurich, Switzerland

The use of stereotactic body radiation therapy in gastrointestinal malignancies

e-grandround GR212 - 06 September 2012 - 18:15-19:00 CET

Expert: Laura Dawson, Princess Margaret Hospital, Toronto, Canada

Discussant: Jesper Grau Eriksen, Odense University Hospital, Odense, Denmark

Impact of personalised medicine on the treatment of metastatic colorectal cancer

e-grandround GR225 - 06 December 2012 - 18:15-19:00 CET

Expert: Marc Peeters, Antwerp University Hospital, Edegem, Belgium

GENITO-URINARY CANCERS

Treating prostate cancer with radiotherapy (based on a Review article of Nature Reviews Clinical Oncology)

e-grandround GR169 - Held live on 20 October 2011 and recorded

Expert: Nicholas Van As, Royal Marsden Hospital, London, UK

Discussant: Dominik Berthold, University Hospital of Canton Vaud, Lausanne, Switzerland

New insights in bone and androgen deprivation therapies in prostate cancer

e-grandround GR174 - Held live on 24 November 2011 and recorded

Expert: Jean-Pierre Droz, Centre Hospitalier Andrée Rosemon, Cayenne, French Guiana

Discussant: Dominik Berthold, University Hospital of Canton Vaud, Lausanne, Switzerland

Physicians' communication and interpersonal skills in sharing decision-making process with prostate cancer patients

e-grandround GR181 - Held live on 02 February 2012 and recorded

Expert: Lara Bellardita, National Cancer Institute, Milan, Italy

Discussant: Walter Baile, M.D. Anderson Cancer Center, Houston, TX, USA

Robotic surgery in prostate cancer

e-oncoreview OR18 - Held live on 03 April 2012 and recorded

Expert: Alberto Briganti, San Raffaele Hospital, Milan, Italy

Discussant: Dominik Berthold, University Hospital of Canton Vaud, Lausanne, Switzerland

What do oncologists want to know about prostate cancer patient from a uropathologist - communication in 2012 is still a two way street

e-grandround GR193 - Held live on 26 April 2012 and recorded

Expert: Kiril Trpkov, Rockyview General Hospital, University of Calgary, Calgary, Alberta, Canada

Discussant: Cristina Magi-Galluzzi, Cleveland Clinic, Cleveland, USA

Active surveillance

e-oncoreview OR20 - 05 June 2012 - 18:15-19:00 CET

Expert: Chris Bangma, Erasmus Medical Centre, Rotterdam, The Netherlands

Discussant: Nicola Nicolai, IRCCS Foundation, National Cancer Institute, Milano, Italy

The importance of patient care to improve treatment outcomes in advanced prostate cancer

e-oncoreview OR25 - 06 November 2012 - 18:15-19:00 CET

Expert: Florian Scotté, Georges Pompidou European Hospital, Paris, France

Discussant: Bertrand Tombal, Cliniques Universitaires Saint-Luc, Bruxelles, Belgium

e-oncoreview organised in collaboration with Sanofi Oncology

GYNAECOLOGICAL CANCERS

Recent advances in the treatment of advanced cervical cancer

e-grandround GR185 - Held live on 01 March 2012 and recorded

Expert: Jacob Christian Lindegaard, Aarhus University Hospital, Aarhus, Denmark

Discussant: Margaret Hutka, Royal Marsden Hospital, Sutton, United Kingdom

Biomarkers and candidate therapeutics in ovarian cancer pipeline

e-grandround GR197 - 24 May 2012 - 18:15-19:00 CET

Expert: Hani Gabra, Imperial College, London, United Kingdom

Discussant: Margaret Hutka, Royal Marsden Hospital, Sutton, United Kingdom

Chemoradiation in cervical cancer

e-grandround GR208 - 09 August 2012 - 18:15-19:00 CET

Expert: Max Mano, Sao Paulo Cancer Institute, Sao Paulo, Brazil

Targeting angiogenesis in ovarian cancer (in collaboration with OECl)

e-grandround GR224 - 29 November 2012 - 18:15-19:00 CET

Expert: Susana Palma de Sousa, Instituto Português de Oncologia do Porto Francisco Gentil, Porto, Portugal

Discussant: Margaret Hutka, Royal Marsden Hospital, Sutton, United Kingdom

HAEMATO-ONCOLOGY

Role of PET in staging/treatment of lymphomas

e-grandround GR159 - Held live on 11 August 2011 and recorded

Expert: Bruce Cheson, Lombardi Comprehensive Cancer Center, Washington DC, USA

Discussant: Astrid Pavlovsky, Clinical Research Center - FUNDALEU, Buenos Aires, Argentina

Chronic lymphocytic leukaemia first line treatment: How far should we go to achieve negative MRD

e-grandround GR171 - Held live on 03 November 2011 and recorded

Expert: Michael Hallek, University of Cologne, Cologne, Germany

Discussant: Astrid Pavlovsky, Clinical Research Center - FUNDALEU, Buenos Aires, Argentina

Inhibiting JAK 1/2 pathway as a novel approach to treatment of primary and secondary myelofibrosis

e-oncoreview OR14 - Held live on 06 December 2011 and recorded

Expert: Alessandro Vannucchi, Florence University, Florence, Italy

Discussant: Lisa Pieri, Florence University, Florence, Italy

e-oncoreview organised in collaboration with Novartis Oncology

The role of stem cell transplantation in lymphomas

e-grandround GR196 - Held live on 17 May 2012 and recorded

Expert: Anna Sureda, Addenbrooke's Hospital, Cambridge, United Kingdom

Discussant: Astrid Pavlovsky, Clinical Research Center - FUNDALEU, Buenos Aires, Argentina

Myeloproliferative Neoplasms: An update on progress in treatment

e-grandround GR207 - 02 August 2012 - 18:15-19:00 CET

Expert: Ayalew Tefferi, Mayo Clinic, Rochester, MN , USA

Discussant: Astrid Pavlovsky, Clinical Research Center - FUNDALEU, Buenos Aires, Argentina

An update on the treatment of relapsed leukemia: Risk and benefits of Alternative Donor Stem Cell Sources

e-grandround GR214 - 20 September 2012 - 18:15-19:00 CET

Expert: Andrea Bacigalupo, IRCCS San Martino, Genoa, Italy

Discussant: Astrid Pavlovsky, Clinical Research Center - FUNDALEU, Buenos Aires, Argentina

Current treatment strategies for Hodgkin Lymphomas

e-grandround GR218 - 18 October 2012 - 18:15-19:00 CET

Expert: Joseph M. Connors, University of British Columbia Cancer Agency, Vancouver, Canada

Discussant: Astrid Pavlovsky, Clinical Research Center - FUNDALEU, Buenos Aires, Argentina

LUNG CANCER

Palliative care in lung cancer

e-grandround GR195 - Held live on 10 May 2012 and recorded

Expert: Jennifer Temel, Massachusetts General Hospital, Boston, USA

Discussant: Marco Siano, Cantonal Hospital, St. Gallen, Switzerland

Challenges in the current antiangiogenic treatment paradigm for patients with non-small cell lung cancer (based on an article of Critical Reviews in Oncology Hematology)

e-oncoreview OR24 - 02 October 2012 - 18:15-19:00 CET

Expert: Antoinette J. Wozniak, Karmanos Cancer Institute , Detroit, USA

Discussant: Marco Siano, Cantonal Hospital, St. Gallen, Switzerland

Predictive factors in non-small cell lung cancer

e-grandround GR222 - 15 November 2012 - 18:15-19:00 CET

Expert: Robert Pirker, Medical University Vienna, Vienna, Austria

Discussant: Marco Siano, Cantonal Hospital, St. Gallen, Switzerland

PAEDIATRIC ONCOLOGY

Extragenital germ cell tumours in children: Who is really high risk and how should we treat these patients? (held in co-operation with SIOP-E)

e-grandround GR173 - Held live on 17 November 2011 and recorded

Expert: Dominik T. Schneider, Clinic of Pediatrics, Municipal Hospital Dortmund, Dortmund, Germany

Discussant: James Nicholson, Cambridge University Hospital NHS Foundation Trust, Cambridge, United Kingdom

Osteosarcoma: Recent trials and implications for future studies

e-grandround GR178 - Held live on 12 January 2012 and recorded

Expert: Stefan Bielack, Olghospital, Stuttgart, Germany

Discussant: Bruce Morland, Birmingham Children's Hospital, Birmingham, United Kingdom

The current management of low-grade glioma in childhood

e-grandround GR183 - Held live on 16 February 2012 and recorded

Expert: Eric Bouffet, Hospital for Sick Children, Toronto, Canada

Discussant: Rachel Dommett, University of Bristol, Bristol, UK

Risk Stratification and Treatment of Metastatic Rhabdomyosarcoma

e-grandround GR190 - Held live on 05 April 2012 and recorded

Expert: Odile Obelin, Institut Gustave-Roussy, Villejuif, France

Discussant: Mike Stevens, Bristol Royal Hospital for Children, Bristol, United Kingdom

Current approaches in the management of Hodgkin's lymphoma in children?

e-grandround GR226 - 13 December 2012 - 18:15-19:00 CET

Expert: W.Hamish Wallace, Royal Hospital for Sick Children, Edinburgh , United Kingdom

Discussant: Rachel Dommett, University of Bristol, Bristol, UK

RADIATION ONCOLOGY

Radiotherapy after mastectomy: Can we avoid it?

e-grandround GR168 - Held live on 13 October 2011 and recorded

Expert: Luc Vakaet, Ghent University Hospital, Ghent, Belgium

Discussant: Agata Rembielak, The Christie NHS Foundation Trust, Manchester, United Kingdom

Response, survival, and long-term toxicity after therapy with the radiolabeled somatostatin analogue [90Y-DOTA]-TOC in metastasized neuroendocrine cancers

e-grandround GR182 - Held live on 09 February 2012 and recorded

Expert: Martin Walter, University Hospital, Institute of Nuclear Medicine, Bern, Switzerland

Discussant: Nicolas Marincek, University Hospital, Institute of Nuclear Medicine, Bern, Switzerland

Radiation therapy and radioisotopes for bone metastases: what is their real benefit?

e-grandround GR201 - 21 June 2012 - 18:15-19:00 CET

Expert: Ursula Nestle, Universitaetsklinikum Freiburg, Freiburg, Germany

Discussant: Soeren Hess, Odense University Hospital, Odense, Denmark

Thyroid dysfunction from antineoplastic agents

e-grandround GR210 - 23 August 2012 - 18:15-19:00 CET

Expert: Ole-Petter R. Hamnvik, Brigham and Women's hospital, Boston, USA

Discussant: Jesper Grau Eriksen, Odense University Hospital, Odense, Denmark

The use of stereotactic body radiation therapy in gastrointestinal malignancies

e-grandround GR212 - 06 September 2012 - 18:15-19:00 CET

Expert: Laura Dawson, Princess Margaret Hospital, Toronto, Canada

Discussant: Jesper Grau Eriksen, Odense University Hospital, Odense, Denmark

GENERAL INTEREST/GENERAL ONCOLOGY

How EU policy affects cancer research across Europe and how we can try to influence it

e-grandround GR179 - Held live on 19 January 2012 and recorded

Expert: Layla Theiner, Cancer Research UK, London, UK

Discussant: Fatima Cardoso, Champalimaud Cancer Center, Lisbon, Portugal

Organ-specific metastases? can we predict them?

e-grandround GR189 - Held live on 29 March 2012 and recorded

Expert: Roger Gomis, Institute for Research in Biomedicine, Barcelona, Spain

Discussant: Fatima Cardoso, Champalimaud Cancer Center, Lisbon, Portugal

Evidence-based cancer care and research

e-oncoreview OR19 - Held live on 08 May 2012 and recorded

Expert: Mike Clarke, UK Cochrane Centre, Oxford, United Kingdom

Discussant: Liam Murray, Queen's University Belfast, Belfast, United Kingdom

Accreditation of comprehensive cancer centers: the OECl project

e-grandround GR198 - Held live on 31 May 2012 and recorded

Expert: Mahasti Saghatchian, Institut de Cancérologie Gustave Roussy, Villejuif, France

Discussant: Gordon McVie, European Institute Of Oncology, Milan, Italy

Metabolism and Cancer - a forgotten target?

e-grandround GR223 - 22 November 2012 - 18:15-19:00 CET

Expert: Tak Mak, Advanced Medical Discovery Institute, Toronto, Canada

Discussant: Marco Siano, Cantonal Hospital, St. Gallen, Switzerland

Personalized cancer care - where do we stand today

e-grandround GR228 - 24 January 2013 - 18:15-19:00 CET

Expert: Gordon Mills, MD Anderson Cancer Center, Houston, TX, USA

Discussant: Daniel Helbling, Onkozentrum Zurich, Zurich, Switzerland

MEDICAL HUMANITIES

Narrative and scientific discourses in medicine: are they alternative models?

e-grandround GR200 - 14 June 2012 - 18:15-19:00 CET

Expert: Bernardino Fantini, Université de Genève, Geneva, Switzerland

Discussant: Paolo Vineis, Imperial College London, London, United Kingdom

Patient-centeredness in healthcare. What are we talking about?

e-grandround GR205 - 19 July 2012 - 18:15-19:00 CET

Expert: Sara Rubinelli, Lucerne University, Lucerne, Switzerland

Discussant: Claudia Zanini, Lucerne University, Lucerne, Switzerland

From medical humanities to biomedical humanities

e-grandround GR215 - 27 September 2012 - 18:15-19:00 CET

Expert: Giovanni Boniolo, Università degli Studi, Milan, Italy

MEDICAL ONCOLOGY

Imatinib: gonadal and fetal effect

e-grandround GR180 - Held live on 26 January 2012 and recorded

Expert: Emad Shash, National Cancer Institute Cairo University, Cairo, Egypt

Discussant: Fedro A. Peccatori, European Institute of Oncology, Milano, Italy

Rethinking the metastatic cascade as a therapeutic target

(based on a review article of Nature Reviews Clinical Oncology)

e-grandround GR184 - Held live on 23 February 2012 and recorded

Expert: George W. Sledge, IU Simon Cancer Center, Indianapolis, IN, USA

Discussant: Fatima Cardoso, Champalimaud Cancer Center, Lisbon, Portugal

Histone Deacetylase (HDAC) Inhibitors in Oncology Practice: from Bench to Bedside (in co-operation with OECl)

e-grandround GR188 - Held live on 22 March 2012 and recorded

Expert: Alfredo Budillon, National Cancer Institute "G. Pascale", Naples, Italy

Discussant: Antonio Avallone, National Cancer Institute "G. Pascale", Naples, Italy

Notch targeting in cancer

e-grandround GR191 - Held live on 12 April 2012 and recorded

Expert: Lucio Miele, University of Mississippi Medical Center, Jackson, USA

Discussant: Aleksandra Filipovic, Imperial College, London, United Kingdom

Discussant: Agamemnon Epenetos, Imperial College, London, United Kingdom

Skin toxicities caused by targeted therapies (in co-operation with EONS)

e-grandround GR213 - 13 September 2012 - 18:15-19:00 CET

Expert: Christine Boers-Doets, Leiden University Medical Center, Leiden, The Netherlands

Discussant: Liesbeth Lemmens, UZ Leuven, Leuven, Belgium

Emesis in oncology

e-oncoreview OR26 - 04 December 2012 - 18:15-19:00 CET

Expert: Fausto Roila, Azienda Ospedaliera S. Maria, Terni, Italy

Discussant: Carla Ripamonti, IRCCS Foundation, National Cancer Institute, Milano, Italy

AND MUCH MORE...

Cardiac side effects of molecular targeted therapies: Towards a better dialogue between oncologists and cardiologists (based on a review article of Critical Reviews in Oncology Hematology)

e-oncoreview Held live on OR16 - 07 February 2012 and recorded

Expert: Stephane Ederhy, Saint-Antoine Hospital, Paris, France

Discussant: Atul Pathak, Toulouse University, Toulouse, France

Survivorship

e-grandround GR204 - 12 July 2012 - 18:15-19:00 CET

Expert: Neil K. Aaronson, The Netherlands Cancer Institute , Amsterdam, The Netherlands

Discussant: Vittorio Mattioli, National Cancer Institute IRCCS "Giovanni Paolo II", Bari, Italy

Evolution of the cancer genome

e-grandround GR209 - 16 August 2012 - 18:15-19:00 CET

Expert: Andy Futreal, MD Anderson Cancer Center, Houston, Texas, USA

Discussant: Daniel Helbling, Onkozentrum Zurich, Zurich, Switzerland

Breakthrough pain management (in co-operation with EONS)

e-grandround GR219 - 25 October 2012 - 18:15-19:00 CET

Expert: Bostjan Zavratnik, Institute of Oncology, Ljubljana, Slovenia

Melanoma excision margins and sentinel node biopsy guidelines

e-grandround GR220 - 01 November 2012 - 18:15-19:00 CET

Expert: Frances Wright , University of Toronto, Toronto, Canada

Discussant: Wojciech Wysoski, Maria Sklodowska-Curie Memorial Institute Of Oncology, Krakow, Poland

E-ESO TEAM OF DISCUSSANTS

Dept. Coordinator: **Daniel Helbling**, Onkozentrum Zurich, Zurich, CH

Dominik Berthold, University Hospital of Canton Vaud, Lausanne, Switzerland

Fatima Cardoso, Champalimaud Cancer Center, Lisbon, Portugal

Gilberto de Castro, Sao Paulo Cancer Institute, Sao Paulo, Brazil

Rachel Dommett, University of Bristol, Bristol, UK

Jesper Grau Eriksen, Odense University Hospital, Odense, Denmark

Margaret Hutka, Royal Marsden Hospital, Sutton, UK

Astrid Pavlovsky, Clinical Research Center - FUNDALEU , Buenos Aires, Argentina

Fedro A. Peccatori, European Institute of Oncology, Milano, Italy

Marco Siano, Cantonal Hospital, St. Gallen, Switzerland

W. Wysocki, Maria Sklodowska-Curie Memorial Institute Of Oncology, Krakow, Poland

MASTERMIND PARTICIPANT

Imagine winning a prize for the knowledge you acquired while attending an e-eso session! An exciting feature of your e-ESO programme based on a multiple-choice test that follows each session.

The participant who scored the best during the year will furthermore be awarded a prize.

So test your knowledge and skills against the clock and remember: **learning can be fun!!**

ATTEND THE LIVE SESSION AND TAKE PART IN THE QUIZ!

**The e-ESO app is available for
iPhone/iPad at App Store and for
Android devices at Android Market.**
